

Directions to Sandycross Wealth Management - From London A21

Come down the A21 and turn off at Hurst Green (after Tunbridge Wells and Flimwell). The turning to Heathfield is on your right at Hurst Green.

This is the road that leads to Heathfield and takes you through Etchingam (over the railway crossing) and Burwash until you arrive in Heathfield at a crossroad.

At this crossroad you will notice HKS kitchen showroom, turn left at this crossroads.

This will take you to another crossroads (Prince of Wales pub will be on your right), head straight over this crossroads.

You will go past a small row of shops – carry on a few hundred yards and Sandy Cross Lane will be on your left (post box on corner). If you see Ghyll Road on your right you have gone too far.

Proceed down Sandy Cross Lane for a few hundred yards and you will see Monkhurst House on your right (big sign with company names on).

Drive up the driveway and park.

We are in the largest, middle barn.
